

## **Good sites to explore "Hot Topics in Health Care"**

AAMC's "Washington Highlights":

<http://www.aamc.org/advocacy/washhigh/start.htm>

The AMA's "American Medical News": <http://www.ama-assn.org/amednews/>

The New England Journal of Medicine's "The Next Generation":

<http://www.nextgenmd.org/>

The Hastings Center Report

<http://www.thehastingscenter.org/publications/hcr/hcr.asp>

Dr. Mike McGee's Health Politics <http://www.healthpolitics.org/>

New York Times online <http://nytimes.com/>

Sections of particular interest include:

Tuesday's Science Section

Health, Science, Technology Section

University of Washington School of Medicine's site on Ethics in Medicine

<http://depts.washington.edu/bioethx/>
